

Good Morning Chuck,

I wanted to drop you a quick line to tell you how much we enjoyed having you last night. I've heard several people talking about how much fun they had, and accounting much of it to you. We all felt like you were at the party with us and it seemed as if you were having a great time too. I knew as soon as I spoke with you that you would be great, and I love it when I'm right! You truly made the party, that means so much to me. Thank you! Also I wanted to let you know how much I appreciated you staying way after your scheduled time. It's those types of things that make every event special and make you that much more enjoyable than the rest!

I've also taken the liberty of passing on your contact information to several others on site that might be planning parties in the future so don't be surprised if you hear from us again.

Thank you again,

Tara Dougherty
