

"Chuck Weirich was absolutely tremendous in the work he did for us at our wedding reception. His attention to detail and selection of perfectly timed music made the evening flow smoothly. The time Chuck took out of his day to meet with us, the emails and phone calls all were a reflection of his desire to make our reception a wonderful experience. Nothing was too much for Chuck to do for us. Special and unique music requests, mixed music collages, and his special flair to being an emcee all resulted in an exciting and unforgettable night of joy and fun. If you want a perfect reception or party, Chuck Weirich will make your event one to remember."
